Ramseit Cairos

About me

Hi! My name is Ramseit Cairos, professional photographer since 2007. I live in San Pedro de Atacama, Chili.

For the last 4 years I have specialized in creating content for hotels and tourism companies, with special emphasis on transmitting the essence of the destination, by photographing its day and night environment to motivate travelers to visit these places.

My work has been featured in various physical and digital media. I have visited 13 countries and worked with 5-star hotels.

What you get?

High-quality professional photographs and digital content with a personal and artistic vision of your Hotel, Landscapes, Lifestyle and Astrophotography for tourism promotion.
